

HOSTED BY

Please join us as an Exhibitor or Sponsor!

On behalf of the South Jersey Transportation Authority (SJTA) and the New Jersey Division of Fish and Wildlife (NJDFW) we invite you to participate as a sponsor or exhibitor at the **2020 Northeastern Transportation and Wildlife Conference (NETWC)** to be held September 20 – 23 at the Sheraton Atlantic City Convention Center in Atlantic City, New Jersey.

The theme is **“2020 Vision – Creating a Roadmap to Help Wildlife Navigate Our Mobile World”**. We all recognize the great challenge of sustaining wildlife mobility in a fragmented and changing landscape. NETWC 2020 will bring together a community of transportation and ecology professionals from across our region to explore advancements in wildlife ecology and roadway planning, and collaboratively put science, technology, and solutions into practice.

WHO ATTENDS?

Over 250 experts from all areas of wildlife and transportation from Northeastern U.S., Canadian Provinces and other U.S. states.

HIGHLIGHTS

Highlights of the event include keynote speakers, informative and relevant concurrent sessions, problem solving workshops, full afternoon field trip, and numerous opportunities for networking.

WHY EXHIBIT OR SPONSOR?

The NETWC offers you the opportunity to make face-to-face **CONNECTIONS** with industry leaders and state officials in the fields of transportation and wildlife. You will have **ACCESS** to people who need your products and services, and the **EXPOSURE** will reinforce your brand awareness and maximize visibility.

MULTIPLE LEVELS AND OPPORTUNITIES

A wide range of participating levels and prices are available. Knowing one shoe does not fit all, custom sponsorships are also available upon request. Please review the information on the following page and let NETWC know how you would like to participate.
