

NETWC ACHIEVEMENT AWARDS

The Northeast Transportation and Wildlife Conference bestows biennial achievement awards for projects that **exemplify innovative science, design, partnership or cost effectiveness in meeting the needs of fish & wildlife movement and safe and reliable transportation infrastructure. Nominations are due by 8/1/2018.** Please complete the information below and email to Cindy Sherwood, NETWC Conference Coordinator, at sherwood@delaneymeetingevent.com. Winners will be notified by August 31st and an award presented at the conference. It is encouraged that someone from the winning organization be present to accept the award.

NOMINATOR CONTACT INFORMATION

Name: _____

Affiliation: _____

Email Address: _____

PROJECT

Project Name

What is the name of the project that you're recommending for the award? (Informal names are fine e.g. Monkton Salamander Crossing. Avoid jargon e.g. Monkton STP 1304(1))

Who is the best point of contact about this project?

Name: _____ Email Address: _____

Agency, Organization or Company: _____

Project Location (Town, State/Province, Country) _____

Project Partners

List any/all the agencies, organizations or groups that played a role in this project

Total Project Cost

Please add any details about what the project cost number includes. For example: Is this the total cost of a bridge replacement that included a "wildlife shelf", or is this the cost of just the "shelf"
